STINSON BEACH ALLIED ARTS

~ STINSON BEACH, CALIFORNIA

The regular monthly meeting of the Stinson Beach Allied Arts was held August 26, 1954 at the home of President Rosetta Bull.

A Nose-bag lunch preceded the meeting which was called to order at 1:35 p.m. by our President.

In the absence of Secretary Gene Reinhardt the minutes of the previous meeting were read by Harriet Greene and approved as read. Harriet Greene again served as Acting Secretary for this meeting

Treasurer's Report covered financial report as well as a report on The Little Theatre Project "Under the Gas Light" and the Celebration July 4th. Copies of these reports are attached hereto and become part of the minutes.

Treasurer Greene also reported on "Situation Vanilla" which report disclosed we still have on hand for sale three dozen bottles of vanilla. It was decided to drop our price from 89¢ per bottle to 75¢ per bottle in order to get our money back on investment of \$52.16. By selling the remainder of the stock on basis of 75¢ per bottle we will realize \$27.00 which will leave a deficit of about \$3.80 which we feel we can absorb. In other words the Coffee Urn will have cost us \$3.80.

The matter of chairs for the Community Center was brought up and after much discussion ~~Harriet~~ upon motion made by Dulce O'Neil and seconded by Dorothy Nye, Harriet Greene was instructed to write to the President of the Stinson Beach Community Center Inc. Mr. Lester B. Sadler Jr. regarding the purchase of chairs, as all members present were in agreement that this equipment is necessary if our Little Theatre Group is to function. It was also felt by the group that the Allied Arts have contributed generously of time and money to the Community Center.

Myrtle Davidson reported her difficulties in arranging a "Trip" the past two months and it was decided that the Garden Unit work with Myrtle and arrange a trip in the near future. Suggestions were made by Dorothy Cunningham, a member of the Garden Unit, to plan a trip either to visit Sunset Garden at Menlo Park or luncheon at Rickey's on the Peninsula (on a Friday) when Albert Wilson discussed Garden problems.

President Bull asked for suggestions as to what the Club would favor the remainder of the year and in the future. She reported a suggestion made by Gene Reinhardt that one big bang up sale be held once a year instead of trying to work on several projects throughout the year. She felt that we should throw all effort toward one be project.

Dorothy Nye felt that one project a year would include food sale, rummage sale, bazaar, etc. and that would present a problem of storage space. She felt that it would not be a good idea to mix new merchandise with rummage.

Lillian Russell felt that the storage problem was also important.

Louise Scofield thought that we should have two projects at least namely a rummage sale and participation in the Celebration on the 4th of July.

STINSON BEACH ALLIED ARTS

~ STINSON BEACH, CALIFORNIA

Dorothy Cunningham was willing to go along with the decision of the majority.

Harriet Greene reported that the Spring Rummage Sale was a success financially and that in her estimation it would be difficult to mix rummage with new merchandise such as is handled at a bazaar. She also reminded everyone that with the Church using the Assembly Hall on Sunday mornings we would not have the use of the Community Hall until 12 o'clock on Sundays.

After much discussion it was decided to hold a Bazaar, including a White Elephant Sale on October 23rd and 24th at the Community Center Hall and plans included Serving Tea both days.

Harriet Greene spoke of merchandise for the Bazaar and hoped that donations of hand work would be made for the sale as the handling of consigned merchandise entailed a great deal of bookkeeping. However, this does not mean that we will not accept merchandise on consignment but would appreciate donations along with consigned merchandise.

Dorothy Nye suggested we purchase matial to be made up into peasant skirts. This was agreeable and Rosetta Bull was instructed to ~~make~~ take the purchase.

In connection with the Bazaar it was decided to meet twice a month to work toward a successful project and September 16 was chosen as the next meeting to be held at Greene's.

Dulce O'Neil spoke about the next project of the Little Theatre Group "Ladies in Retirement" scheduled for September 24th and 25th and October 1st and 2nd. It was decided to advance Little Theatre up to \$50.00 to cover current expenses.

There being no further business the meeting was turned over to Dorothy Nye who asked for volunteers for the Shop Wednesdays and Saturdays. Members, two for each work day signed up for the coming months.

Meeting adjourned at 3:35 p.m. after which Coffee and Tea were served by our Hostess President Rosetta Bull.

There were 16 members present at this meeting.

REPORT

There has been no recent meeting of the Board of Directors of S.B. C. C. Allied Arts, Progressive Club, Community Church and Parent Teachers Club are in favor of going ahead with the retaining wall project and paying for the necessary material needed plus labor, in lieu of soliciting volunteer labor to do the job.

Mr. C. J. Green is still on the job and is being assisted by several volunteer helpers. Certain labor has had to be hired.

A concrete retaining wall is being constructed and will be of a permanent nature. When completed and area filled and levelled there will be a good sized picnic grounds.

It has been suggested, and will be taken up at the next Directors meeting, that a rustic railing be installed at Community Center as a protection to the planting area in front of the hall.

Reference to more storage space - it has been proposed to extend present store room along back of building and tie in with a porch off the kitchen.

Casco, three tier, kitchen utility cart has been purchased ^{15.55}~~\$14.95~~ plus tax.

This is for use in the Community Center kitchen.

Harriet Greene, Director
S.B. C.C. Inc.

The total net proceeds of the five cards parties of the Summer Series over \$460.00.

Matter of enlarging store room and addition of a rear porch taken up with the Building & Grounds Committee. This Committee was asked to submit estimate of cost plus a sketch of proposed improvement.

The Building & Grounds Committee reported all odds and ends of jobs around the Community Center have been finished.

Mr. C. J. Green advised all concrete work on retaining wall completed. They propose to strip the forms and do some bulldozing in the area.**

announcing the Concert

I would like to report that two ~~signs~~^{posters} were tacked to the bulletin board at Airey's and both have been smeared and messed up. When the first one was tampered with Mr. Leslie put a fresh one up and the same thing happened to it. It is my opinion that this is not the work of an adult. It seems to me that something should be done ^{about} ~~after~~ this and suggest that Allied Arts go on record and a letter be written to the P.T.C. Recreation Committee calling the matter to their attention requesting cooperation from them as well as the young people of the community. Allied Arts have been generous to the young people and I think we should expect some cooperation from them. Might also mention the fact that the sign donated by the Eustis family for card party series was taken down and torn up and thrown in the road. This poster was paid for by Mr. Eustis and could have been used on future card party series. Members of this community both young and old should have some respect for community property.

Minutes for Allieal Arts Meeting November 15, 1957

The meeting was held in Mrs Leslie's home with 22 members present. The minutes of the previous meeting were approved ~~as~~ with one correction. The Treasurers report showed a balance of \$303.15 in the commercial account and \$3643.23 in the savings.

Our president who will not be here for the Christmas bazar announced that Mrs Blanche Curtis will be chairman. It was decided that the tables be arranged as they were last year, and that we would get them arranged Thursday morning and the arrange the things to be sold Friday. Mrs Green said that all merchandise put in on consignment be inventoried in ~~triplicate~~ ^{duplicate} giving one copy to her. It was moved and seconded that Mrs Huss be allowed to show her paintings if she will handle the display and selling. There will be a paid notice put on the front page of the next Baywood press advertising ^{the} Bazar.

Mrs Nye asked that I write a note of thanks to Mr. Tabler of the Palomarin Nursery and Mr. Egger for the plants and flowers they donated for our garden sale.

Helen Drink said that the luncheon to be held Saturday would consist of a hot dish, sandwiches, several kinds of salads, rolls, coffee cake. Any food left over will be sold Sunday.

Under new business Mrs Rasmussen said that she had appointed Alice Caronaugh, Helen Hubbard, and Ruth Miller on the nominating committee for New Officers for 1958.

It was moved & seconded that Mrs Green report to the Community Center that the Allied Arts ^{will} pay for the material for enlarging the store room, but not the labor.

It was also moved and seconded that Mrs Green be a delegate for another term representing the Allied Arts in the Community Center.

It was moved & seconded that Mrs Eustis ^{temporarily} take Dulce O'Neil's place at the next Community Center meeting.

Mrs Green will be the chairman for our Christmas party to be held December 20. Every member is to bring a ⁵⁰gift and may bring guests if Mrs Green is notified by December 16. Dulce O'Neil will try and present a short play of some kind.

It was moved and seconded that Mrs Green ask the Community Center to have the hall cleaned before December 20.

The subject of the Christmas pageant was discussed and Dulce O'Neil agreed to direct it again this year if the Allied Arts would buy the necessary lumber, and if Mrs Bordonaro would take charge of the choir. No definite decision was made.

There being no further business the meeting was adjourned at 3 o'clock and refreshments were served.

Blanche Eustis had no report on the Patio because of weather conditions which prohibited work being done.

Report of the April 7th Directors meeting of Community Center was given by H. Greene (copy of report attached hereto)

Matters included in report were discussed. It was decided to extend the Rummage Sale to include Monday July 14th as it was not agreeable to the members to run the sale for two week ends as had been suggested.

Members felt that the card parties should be given in August, September and October and they were also in favor of having a raffle - award to be made at the last card party. It was suggested that Savings Bonds be raffled.

The matter of the returns of the 1956 Rummage Sale, which was originally earmarked for Maintenance of Community Center was discussed and it was decided that all strings be removed and this money to be used at the discretion of the Board of Directors of Community Center.

The matter of a donation to Community Center to start a building fund for Unit #3 - Chapel Fund was discussed. A motion by Blanche Eustis that \$500.00 be given to start this fund was seconded by Sylvia Crimmings and motion was passed.

The matter of supplying and serving lunch to the workers on May 3rd, designated as work day by A.A. Eustis, Pres. of Community Center was brought up. Harriet Greene said she would assume responsibility of buying supplies and Alice Cavanaugh, Margie Leslie, Rosetta Bull and Helen Frink volunteered to help.

Pres. Rasmussen reported that it was decided to go ahead and purchase the materials for plywood tables instead of purchasing Virco tables because of the difference in price and display area. Otto Rasmussen and Vin Eustis will do the necessary work on the tables.

There being no further business the meeting adjourned and delightful refreshments were served.

Minutes of Allied Arts Meeting for May 16, 1958

The meeting was held in the small room of the Community Center with 16 members present. Minutes of the previous meeting were approved as read. The treasurer's report showed a balance of \$379.44 in the commercial account and \$3691.87 in the savings account.

Under new business it was reported by Horret Green that the directors of the C.C. at the May 5 meeting had set up the following schedules for the coming card parties: June 27 for the P.T.A. and Church Guild, July 25 for the Progressive Club and August 29 for the Allied Arts. The firemen have been asked to set up the hall and clean up after every card party. United States Savings Bonds will be given as prizes for the raffle.

Mrs. Rasmussen announced that Grace Nye had scheduled our next picnic for Wednesday ^{May 28} at Park Springs.

Blanche Easter announced that the patio committee would hold a meeting some time this week at her home.

It was moved and seconded that the Allied Arts pay for the material for the patio, but no definite cost was decided on until a more exact estimate was given. A rough estimate of \$300.00 was given for the red wood stripes and concrete which would cover 1700 square feet, a larger surface than we will probably need. The young men of the community have volunteered to do the work.

Glenn Boland announced that Saturday May 17 was Mother Day at the Morin Art and Garden in Ross.

Ruth Miller said she had been given a large glass float which will be raffled at our coming rummage sale tickets to be 3 for 25.

The meeting was adjourned at 2 o'clock when and everyone went into the large room where there was a beautiful exhibit of wild flowers and tea was served.

The next meeting will be in my home on June 20.

Reports on committees showed that Dede Orest will take charge of the Allied Arts Card party with Grace Nye, Mrs Eustis, and Kate Ewins helping her. There will be four cakes donated for prizes. For the trip committee, Grace Nye said that eleven people had gone on the picnic to Rock Springs and that she had not planned any more trips until September. Barbara Sherkey said that she is gathering plants for the rummage sale and that more than 300 people had seen the wild flower exhibit. Blanche Eustis said that the patio committee had met but that there were so many ideas that they would wait until after the rummage sale before meeting again.

Our president said that rummage was coming in slowly and that most people were waiting to bring their rummage to the Community Center a week before the sale. We will start working Monday morning July 7th. The men of the Progressive Club will handle the furniture and the P.T.A. will look after the food sale on the porch. Anna Engstrom has made the signs for the sale.

The P.T.A. is installing a volleyball court out door, and that the C.C. is buying a new used refrigerator for \$10.00. Also that the cost of the 8 tables just completed was \$72.16. and it was moved that verbal thanks be given to Otto Rasmussen and Mr Moreland who made the tables.

Helen Fink announced that the Church Guild was sponsoring a July 5 dance at the Community Center with Dick Harts Orchestra.

Grace Nye announced that Mr. Prockhurst had just visited England and saw Lewis and

Lillian Watts who sent their regards to all of their
Stinson Beach friends

Glena Boland brought up the subject of a
work shop and saleroom for the Gilded Arts Members
and a general discussion followed. \$

Harriet Green said that there was 1973.85 in
the memorial fund and we were asked to give some
thought as to how it would be used.

A check for \$15.00 will be given Ann Leary and
Barbara Sherfy to repay them for the gas used on
their field flower hunting trips.

Mr. Rasmussen said that the July meeting
would be in Rosetta Bells home, and our August
meeting would probably be a pot luck supper in
the Community Center.

The meeting adjourned at 3 o'clock.

Minutes of Albee Arts Meeting for October 17, 1958

The meeting was held in Marion Segmunds home with Helen Dink as cohostess and with 17 members present. The reading of the previous minutes were approved as read. In the absence of the treasurer I read the treasurers report. It showed \$837.48 cash on hand as of September 19 in the commercial account and \$3747.23 in the savings account. Cash on hand in the commercial account for October 17, 1958 is \$725.41 and \$3747.23 in the savings account.

Under Old business Alice Cavanaugh said that she needed more women to help with sewing. Barbara Sherfy asked for plants for the bazar. Alice Grace Nye reported that Mr. Whetter the man who leases the land we would have to trespass on to Tennessee Cove was not available so that trip was given up. It was decided that we would go to see the Van Isoggh exhibit Monday morning October 27 leaving at 9 o'clock. On Wednesday November 19 we will go to see a demonstration and tea of Holiday Decorations given by Kay Culver at the Corte Madera Recreation Center. It is at 2 P.M. and the charge is \$2.00.

The tables will be set up on Thursday for the Christmas Bazar and our next meeting will be held Friday at 10.30 ~~with~~ November 21 at the Community Center every one bringing their own sandwiches and we will complete the bazar arrangements at that time. Blanche Eustis and Margorie Rasmussen will be in charge of the luncheon with Margorie Leslie, Kate Eason, and Dorothy Nye helping. Chicken tetrazzini, salad, rolls and cake will be served and the charge will be \$1.00. Helen Dink who has charge of advertising said there would be a paid ad in the Baywood Press, San Rafael.

Independent and Hattie is ~~is~~ responsible for having posters made.

In the September 29 meeting of the directors of the Community Center ~~at 4:00~~ the Allied Arts was asked to come to some decision about the enlarging of the store room. After a general discussion Blanche DeStie made a motion which was seconded that we report back to the community center that they have the Building and grounds committee draw up some tentative plans, and also give us some estimate of the cost of enlarging the store room before we can come to any decision. A motion was also made and seconded that the Allied Arts was very much in favor of putting lights on the porch of the Community Center Building.

The meeting adjourned at 3:30 and refreshments were served.

Minutes for Albee Arts Meeting November 21, 1958

The meeting was held in the Community Center, with 16 members present. The minutes of the previous meeting were approved as read. The treasurer reported \$600.41 in the Commercial account and \$3747.23 in the Savings account.

Under old business a vote of thanks was given Alice Cavanaugh for the time devoted to the sewing group. ~~Dale O'Neil is willing to put on a bit of the night of the Christmas pageant, but the pageant story is being organized by the Church group.~~

Margie Rasmussen reported, in the absence of Grace Nye, that every one attending the Van Gogh Exhibit in San Francisco enjoyed the day, and the 14 members who attended the Kay Eubanks Christmas floral decoration demonstration enjoyed that also.

Harriet Green announced that she posted the figures of the consigned merchandise and the charged sales before the bazaar closed Sunday night. She also reported that at the Nov. 10 O.C. meeting there was a discussion on the possibility of a community fund raising affair for next July Fourth.

Report on Directors Meeting Stinson Beach Community Center Nov. 10, 1958.

Meeting was called primarily to discuss possibility of a fund raising affair over the week end of July 4, 1959. This would be a community affair and Pres. Eustis appointed a Committee to study the matter and report back at a later meeting. In the meanwhile all member organizations are asked to voice an opinion as to the feasibility of such an affair and whether they can be counted on to cooperate if it becomes a project.

Have again requested an estimate and rough plans for proposed store room expansion. A porch, at the back door, is also proposed.

New light globes have been in the old wiring that runs in front of Community Center down to the fire house. This will have to do until such time as a new system is installed.

Mr. Hubbard reported the following work has been done: Trees that were overhanging the roof have been trimmed - Gutters have been cleaned out - Firehouse doors have been repainted - drain pipes have been painted - all rusty bolts will be steel brushed and painted in Community Center and the stain on the wall over the fire place will be removed or panel repainted, if painted will probably be a darker color for contrast. The handcarved Community Center sign has been cleaned and revarnished.

Pres. Eustis will appoint a Nominating Committee for Directors Community Center for term 1959/1960 (two year term). One director from Allied Arts will have to be elected. Dulce O'Neil's term expires the end of this year. The name of the new director must be submitted 10 days before election which will take place at the Annual Meeting of S.B. Community Center Inc the first Tuesday in February 1959.

Some members ^{wondered about the} felt the advisability of building a chapel so close to the creek, some wanted to know the elevation and proposed height, and others felt they wanted to know more about the financing before any definite plans were made, also how the new building would affect the porch and enlarged store room which may be added to the present C.C. building. After more discussion a motion was made and seconded that the Allied Arts report to the C.C. that they were very much in favor of a new chapel, but would want to

ask more questions and get more information especially about the finances before they approved the plans.

The president announced that Saturday February 8th at 10 o'clock there would be a general ^{gathering} ~~meeting~~ at the Community Center and lunch would be served the workers.

The meeting adjourned at 3.30 and refreshments were served.

It was decided that we would have another Xmas. bazar but no definite date was set. A motion was made and seconded that the Allied Arts pay for the phone in the Community Center for three months of the year which will cost \$5.61 a month.

After examining the beautiful doll and her wardrobe contributed by Roberta Patterson for a raffle for the Xmas. bazar the meeting adjourned at 3 o'clock and refreshments were served.

Minutes for Allied Arts Meeting for November 20, 1959

The meeting was held in my home with 16 members present. The minutes of the previous meeting were approved as read. The treasurer's report showed a balance of \$1,313.49 in the commercial account and \$3,802.43 in the savings account.

Under old business it was stated that Henry had removed the trash from the porch of the fire house.

Under new business I was asked to write a letter of thanks to Morie Evelyn Woods for her interesting book review in October.

The Christmas Bazaar was then discussed. Judy Townsend and Nancy Towns will have a table. The menu for the luncheon will be turkey tetrazini, a molded beet salad, and apple cobbler. The charge will be \$1.00, and Helen Hubbard will decorate the ^{luncheon} tables. The tables will be set up on Thursday December 3 by Mr. Teuscher and Mr. Moreland, and we will set up our displays Friday beginning at 10 o'clock. The church group will have their table in the center of the hall, the garden display in the corner, the needlework will be to the right of the main entrance, the white elephants ^{on the south end} ~~between the two dressing rooms~~, the teenagers by the pions, Grace and Anna on the platform, and the food

in front of the platform and Ruth and Hatty in
~~front of the dressing room~~ the other corner.

The sewing group will meet on Tuesday
morning at 10 o'clock to price and press their things.

Our ^{Treasurer} ~~secretary~~ announced that everyone putting
any thing in consignment would have to take
care of their own inventory and cash. It was decided
that the doll would be displayed at the Bazaar,
but not raffled until our Christmas party in
December. We will send a check to the Community
Center ~~was~~ in memory of Julia Deorth who died
recently.

~~The~~ Mrs Green read the minutes of the last
two directors meetings there were three things
each organization was asked to discuss. One was
the transferring of the money in the memorial fund
to the ~~building committee~~ ^{Community Center} for use in helping to
finish the Chapel. Ruth Miller made a motion
which was seconded by Annabel Johnson that
we approve of the use of the memorial fund being
loaned to the building fund, but only \$2,000 so
as not to close the account.

The second thing concerned the stage.
Morgie Rasmussen made a motion which was
seconded by Helen Hubbard that the stage be

stored on the fire house porch and covered.

Every group of the C.C. center was asked by Mr. Eustis to have a fund raising project and give the proceeds to the C.C. for the building fund, and Ruth Miller made a motion which was seconded by Grace Nye that we give each a project in the near future.

The Allied Arts also wants to go on record that we approve of a general fund raising drive for the C.C. at this time, but hope the C.C. will proceed with caution and not deplete their treasury funds on the Chapel as there are other obligations to be met the first of the year.

Mr. Eustis appointed Helen Hubbard and Margie Rasmussen on the nominating committee to report in December.

Our December meeting will be a Xmas party in the C.C. on December 18. Ruth Miller Margie Rasmussen and Marion Segmund will have charge of this meeting.

The meeting adjourned at 3.45.
